

Architectural Wrought Iron by

TAPLIN

SECURITY PRODUCTS (QLD) EST 1955

Specialising in a large range of beautifully designed **Steel Window Grilles** and **Security Doors** fitted with high quality deadlocks and insect screens if required.

We also produce **Steel Security Grilles** and **Doors** for patio enclosures.

All Window Grilles and Security Doors are sand blasted, primed and powdercoated. If externally fitted, the items are hot dipped galvanized before powdercoating (a full range of powdercoat colours are available).
